

F2-FOX T

Digital Terrestrial Set-Top Box

Meet the new flat design F2-FOX T for terrestrial broadcasts, with the latest technology and user - friendly menu.

Viewers can now enjoy both outstanding pleasure and comfort in the set-top box loaded with the very best technology HUMAX can offer. The simple installation and operation, user-friendly three-dimensional OSD, highest quality audio output with Dolby Digital Audio, and advanced video clarity made for TV and VCR are all designed to enrich the viewer experience.

In addition to delivering more channels with its new highly sensitive tuner, F2-FOX T boasts the Electronic Program Guide (EPG), for even better program information on all channels, and information banner that enable subtitles and teletext for a bounty of useful information on programs and broadcast signals.
